

Farhan Labib

Nationality: Bangladeshi **Date of birth:** 29/07/2002 **Place of birth:** Faridpur, Bangladesh **Gender:** Male

 **Phone number:** (+880) 01300972969  **Email address:** labibf2580@gmail.com

 **Home:** Ibrahimpur Ashi Dag Almodina Mosjid, Kazipara, 1216 Dhaka (Bangladesh)

ABOUT ME

Final-year Computer Science and Engineering student at University of Asia Pacific with strong interest in Computer Science and Data Science. Passionate about programming, machine learning, and developing data-driven solutions to real-world problems.

EDUCATION AND TRAINING

Secondary School Certificate

Kalamridha Govinda High School [01/01/2013 – 04/04/2018]

City: Faridpur | Country: Bangladesh | Field(s) of study: Science | Final grade: 4.89 out of 5.00 (97.8%) | Level in EQF: EQF level 3

Higher Secondary Certificate

Monipur Uchcha Vidyalaya and College [03/04/2018 – 04/01/2020]

City: Dhaka | Country: Bangladesh | Field(s) of study: Science | Final grade: 4.83 out of 5.00 (96.6%) | Level in EQF: EQF level 4

Bachelor of Science in Computer Science and Engineering

University of Asia Pacific [02/08/2021 – Current]

City: Dhaka | Country: Bangladesh | Field(s) of study: Computer Science and Engineering | Final grade: 3.14 out of 4.00 (78.5%) | Level in EQF: EQF level 6 | Thesis: Sleep Stage Classification Using Deep Learning Models Based on EEG Signals

- Completed **BSc in Computer Science and Engineering (CSE)** with strong foundation in programming and core computer science concepts.
- Achieved **A+ in thesis** on *Sleep Stage Classification using Deep Learning on EEG signals*.
- Skilled in **Python and Django**, with experience building dynamic web applications.
- Strong interest in **backend development and real-world software projects**.

THESIS

Sleep Stage Classification Using Deep Learning Models Based on EEG Signals

Developed a deep learning-based system to automatically classify sleep stages (W, N1, N2, N3, REM) using EEG signal data. Implemented the model in Python with data preprocessing and signal segmentation techniques, achieving **77.17% classification accuracy** on a public sleep dataset | [Source Code](#)

PROJECTS

E-commerce Website Development using Django Built a full-featured e-commerce website with product listings, cart, checkout, and user reviews using Django, HTML, CSS, and JavaScript. This is my own project | [GitHub Link](#) | **Python**

Catch the Egg A simple interactive game developed in C++, where the player catches falling eggs to score points | [GitHub Link](#) | **C++**

Portfolio An interactive digital showcase of my technical skills, academic background, and full-stack development projects | [Portfolio Link](#)

SKILLS

Computer Skills

- **Programming:** C, C++, Python, Java
- **Web Development:** Django Framework, Backend Development
- **Machine Learning:** EEG Data Analysis, Model Implementation
- **Database:** SQL, Database Design
- **Problem Solving:** Algorithmic thinking and software development
- **Tools:** PyCharm, VS Code, Git/GitHub, Jupyter Notebook, MySQL

CERTIFICATIONS

[University of Asia Pacific]

UAP Intra University Programming Contest Participated in the university-level competitive programming contest focused on algorithmic problem solving | [View Certificate](#)

LANGUAGE SKILLS

Mother tongue(s): Bengali

Other language(s): English

RECOMMENDATIONS

Name: Sadia Jahangir Safa | Assistant Professor

Ms. Sadia Jahangir Safa served as my course instructor and laboratory teacher during my undergraduate studies in Computer Science and Engineering. She can provide an academic reference regarding my coursework performance, practical lab skills, and overall academic development at University of Asia Pacific.

Email: safa@uap-bd.edu

Name: Md. Mahedi Hassan | Lecturer (On Study Leave)

Md. Mahedi Hassan served as my thesis supervisor during my undergraduate studies in Computer Science and Engineering. He can provide an academic reference regarding my research work, technical skills, and academic performance.

Email: mahedi@uap-bd.edu

VOLUNTEERING

[06/11/2022 – 11/11/2022] Dhaka

Volunteer – ICPC World Finals Dhaka 2022

Assisted in organizing the ICPC World Finals 2022 held in Dhaka at the University of Asia Pacific.
